TABLE TENNIS

Nutting Associates
is number one again with
Tebie Tennis!

Our winning video action game has many special features that make Table Tennis better than **any** video entertainment. And its handsome and contemporary cabinet fits Teble Tennis into sophisticated lounges and country clubs and other entertainment spots.

Table Tennis is en exciting 2 or 4-pleyer game with a ball bouncing from side-to-side off the four borders of the screen. Object of the game is just like reel table tennis — try to out-maneuver the other pleyer's paddle end collect points!

A beeping sound simulates the ball's rebounds and adds to the overall excitement.
